ORDER FOR EXAMINATION/TRANSPORT**

At a session of said Court held in the City of Lansing, in said

PRESENT: HONORABLE RICHARD J. GARCIA, Judge of Probate

On June 9, 2023 this Court issued an order for examination/transport after Respondent called the Court and advised that she was cancelling a second hearing seeking personal protection against her neighbor. The reason for the cancellation was the Respondent felt she, "was a threat to her neighbors". The Court found probable cause that the Respondent required an assessment. This order has expired.

Accordingly, the Respondent's motion is denied as moot.
